Please give the Scotts a warm welcome.

Are You Weary?

Weariness is defined as “extreme tiredness or fatigue”. A second definition might better fit us today, “reluctance to see or hear any more of something.”

Are you getting weary of this Covid thing? Yeah, me too. Are you tired of hearing about it, being confined, social distancing and wearing masks? Yeah, me too! But the fact that we are weary of the restrictions and requirements does not mean that we can stop pressing on. We all know that the prize is not awarded to those who run, but to the one who perseveres to win the race.

It is one thing to be wearied by the stresses of life and the pressing of health, social and spiritual concerns. It is another thing to be wearied by doing good. The apostle Paul wrote the churches of Galatia and said, And let us not grow weary of doing good, for in due season we will reap, if we do not give up. (Galatians 6:9) The one area of life where we must “keep on keeping on” is the area of doing good. Now is the time of preparing, plowing and planting in the soil. The time of the harvest is yet to come, but we are assured that it will.

Brothers and sisters, KEEP DOING GOOD!

Spiritual Thought

I learned that courage was not the absence of fear, BUT the triumph over it. The brave man is not he who does not feel afraid, BUT he who conquers that fear.

~Nelson Mandela
BUT you, be strong and do not lose courage, for there is reward for your work. Now when Asa heard these words,...he took courage and removed the abominable idols from all the land... He then restored the altar of the LORD...

~2 Chronicles 15:7
